

Angel Fund Charity Challenge Golf Tournament Volunteer or become a Corporate Sponsor

100% of tournament proceeds benefit children with special needs and medical conditions

Friday, October 2, 2020 at the Maryland National Golf Course

Our Mission Statement

The mission of the Angel Fund is to create awareness, within the special needs community, of available resources and to obtain donations that can provide funding for those in need. Our goal is to give each individual the opportunity to maximize their potential regardless of disability, race, color, creed, or financial ability.

How do we accomplish our mission?

Your generous donations allow us to raise funds to provide children with special needs and medical conditions with much needed equipment, therapy, and camp scholarships. Donations also provide financial assistance to their families to cover expenses that are not covered by medical insurance.
